

ARIZONA WOMEN'S SHOOTING ASSOCIATION

To Whom It May Concern:

The Arizona Women's Shooting Association is an organization that teaches women the sport of shooting. It is very important to us to have qualified instructors for that purpose. The people we have are calm, humorous and patient to women's needs.

Doron Doravi is a highly qualified individual, and has become a valuable asset to our group. He has taught individual and special events of large numbers. He has volunteered countless hours to our organization and has proved to be a very reliable individual.

Sincerely,

A handwritten signature in cursive script that reads "Carol Ruh".
